

Take the Stress out of Your Nanny Search

Let us find your perfect nanny today.

Are you looking for full-time child care? Do you need help finding a nanny who is reliable, trusted, nurturing, and fun? As one of the many parts of your **Bright Horizons**[®] benefits, you have discounted access to get high-touch local support with recruiting, vetting, and selecting a nanny who is:

- Individually matched to your family's unique needs with the right experience, skills, and availability
- Carefully screened with background checks at the state and federal levels
- Formally trained in child care, first aid, and CPR
- A positive role model and committed to safety and security
- Trained as a learning coach to support online instruction (upon request)
