Definitions

This document contains words used in insurance and dentistry. We have given the meaning of these words here. These terms are in *italics*. If you are not clear about what these words mean, please come back to this page.

- *Adverse Benefit Decision* means a decision by Delta Dental not to pay (in whole or in part) for a *covered service*, including a denial; reduction; termination; or, failure to make a payment based on a pre-existing condition exclusion; a source of injury exclusion; retroactive rescission of coverage; or, other limitation on *covered services*.
- *Allowance* means the amount we base payment on for a *covered service*. The *Allowance* for a *Participating Dentist* is the LOWEST of the:
 - a) Amount set by the *local Delta Dental Plan* for each specific *dentist*;
 - b) Maximum amount the *local Delta Dental Plan* will pay any *dentist* for a *covered service*; or
 - c) Amount the *dentist* actually charges.

Participating dentists cannot charge Delta Dental patients more than the *allowance* for a *participating dentist*.

The *Allowance* for a *Non-participating Dentist* is:

- a) The lesser of the *dentist's* charge or the amount determined by the *local Delta Dental Plan*; or
 - b) The lesser of the *dentist's* charge or an amount equal to a percent of the Delta Submitted Charges Database for that service; or
 - c) The lesser of the *dentist's* charge or an amount listed on the *local Delta Dental Plan's non-participating dentist* fee table for that service.
- *Annual Maximum* means the most we will pay for *covered services* for a continuous 12-month period (usually a calendar year). The *annual maximum* is stated in the *Benefits Summary*.
 - *Benefits Summary* is a summary description of the services covered by this dental policy; with a schedule that shows you how much we pay toward a service. If a service is not listed in the *Benefits Summary*, we will not pay for it.
 - *Certificate* means this document and the *Benefits Summary*. This *Certificate* is your policy.
 - *Coinsurance/Copayment* means the amount you pay for *covered services*, after the *deductible*, if any, is met. *Coinsurance* is usually shown as a percentage and *copayment* as a fixed dollar amount. The amount of *coinsurance/copayment* varies with the type of *covered services* and is shown in the *Benefits Summary*.

- *Covered Services* means those services listed in the *Benefits Summary*. All *covered services* must be *dentally necessary* and appropriate to qualify for payment.
- *Date of Service* means the date that the service was done. For services requiring more than one visit, except *orthodontics*, the *Date of Service* is the final completion date (Examples: the insertion date of a denture; the date a permanent crown is cemented).
- *Deductible* means the amount *you* pay toward *covered services* before we begin paying benefits. *Deductibles* must be met each *policy year*. *Deductibles* may vary by type of benefits; or, by type of provider (participating vs. non-participating). They are specific dollar amounts for each *subscriber* and/or *dependent* per *policy year* or per lifetime as specified.
- *Dentally Necessary (Dental Necessity)* means that the dental services provided are appropriate, in terms of type, amount, frequency, level, setting, and duration to the *member's* diagnosis or condition. All *covered services* must be *dentally necessary* and appropriate to qualify for payment. We will make a determination whether a service is *dentally necessary* based on this "*dental necessity*" standard using criteria which is set forth in the utilization review plan and guidelines ("review guidelines") that we file with the Rhode Island Office of the Health Insurance Commissioner. These guidelines are based on generally accepted dental or scientific evidence and are consistent with generally accepted practice parameters. If a service is denied based on *dental necessity*, we will send *you* and *your dentist* a written notice explaining the reason(s) for the denial. The notice will refer to a guideline; protocol; or, criteria we used to make the denial. Refer to the **Claims Procedures** section of this *Certificate* for details on how to get more information regarding the review decision and procedures for filing an appeal. A copy of *our* review guidelines is available on *our* website at: www.deltadentalri.com.

When You Join the Plan

Who Can Join

You and/or *your* eligible *dependents* can join the *Plan* if *your Plan Sponsor* agrees and complies with *our* underwriting guidelines. ***Your plan sponsor determines eligibility requirements for dependents.*** A parent or legal guardian must contract on behalf of a child who is less than 18 years old. The parent or legal guardian is liable for the child's compliance with any and all policy terms and conditions.

The *Plan* does not limit coverage based on genetic information. *We* will not: (i) adjust premiums based on genetic information; (ii) request / require genetic testing; or, (iii) collect genetic information from an individual before, or in connection with, enrollment in a plan; or, at any time for underwriting purposes.

Your eligible *dependents* typically are:

- ***Your legal spouse. A spouse includes a party to a same sex marriage; civil union; or, similar union entered into under applicable state laws.*** If you divorce, *your ex-spouse* will remain eligible for continued coverage under

the policy without additional premium until either *spouse* remarries. This is true unless the divorce or separation judgment states otherwise. If *you* remarry, the ex-spouse may, if the divorce judgment allows, stay covered as a *member* at additional premium.

- **Your unmarried *dependent* children** up to a certain age. Refer to *your Benefits Summary* for age limits.
- **Your unmarried children who have reached the *dependent* age limit up to a higher student age limit**, if a student at an accredited secondary school or college and primarily dependent on *you* for support.

NOTE: *Your plan sponsor* must agree to purchase coverage for students. If applicable, the student age limit will be listed in *your Benefits Summary*. *Your plan sponsor* determines student eligibility terms.

- **Your unmarried children who have reached the *dependent* age limit; and, who are mentally or physically disabled and cannot earn a living.** *You* must submit proof of *your* child's disability within 30 days of the child reaching the *dependent* age limit. The proof must be satisfactory to *us*. *You* must continue to provide proof of the disability upon request.

How You Join

You enroll by completing, signing and returning to *us* or *your plan sponsor* an applicable form. Forms are available from *us* or *your plan sponsor*, or *you* may be able to enroll online. If *your* family status changes and *you* need to add or remove *dependents* from *your plan*, contact *us* or *your plan sponsor*. We can only accept membership changes from a *subscriber* or *your plan sponsor*.

When Coverage Begins

Coverage generally starts the first of the month after *we* accept *your* completed and signed enrollment form and payment arrangements.

Your plan sponsor can tell *you* if there is a *waiting period* before *you* can join the *Plan*.

You must wait until *your plan sponsor's* next open enrollment period, if *you* or *your dependent(s)* do not enroll when first eligible. *You* may also enroll when there is a qualifying event. We establish what a qualifying event is. Examples include loss of other coverage, marriage, or death.

If *you* marry, *you* may enroll *your spouse* within 60 days of marriage. *You* must wait until *your plan sponsor's* next open enrollment period if *your spouse* does not enroll when first eligible. *Your spouse* may also enroll when there is a qualifying event.

If *you* have family coverage, *your* newborn infant and the newborn infant of a *dependent* child are covered from birth. Adopted children are covered from the date of home placement. Foster children are covered from the date of the petition to adopt filing. Stepchildren and children are considered *dependent* children if they: are under *your* own or *your spouse's* legal custody; permanently live in *your* household; and, chiefly depend on *you* for support. *We* do not consider married children *dependents*, regardless of their age.

Coverage generally begins on the first of the month after *we* accept *your* enrollment form. If *you* don't enroll within 60 days, *you* must wait until the next open enrollment period to enroll *dependents*. *Dependents* may enroll when there is a qualifying event.

Please tell *us* and *your plan sponsor* of any changes in *your* or *your dependent's* status. This includes marriage; births; reaching the *dependent* or student (if applicable) age limits; or, changes in *your* address. This will help *us* keep *our* records up to date.

The Cost of Your Coverage

You and/or *your plan sponsor* pay the cost of coverage for *you* and *your* eligible *dependents*. The cost of coverage is based on the arrangement agreed to by *your plan sponsor*. This arrangement must comply with *our* underwriting guidelines.

When Coverage Ends

Your plan sponsor or *we* may cancel *your* group's coverage under the terms of *our* contract with *your* group. If the group's coverage is cancelled, *your* coverage will also end on the same date. If *your* coverage ends, *we* will give *you* 30 days prior notice; and, include the reason for terminating *your* coverage.

In addition, *we* may cancel *your* coverage for the following reasons. Coverage generally ends on the last day of the month:

- *You* are no longer eligible for coverage.
- *You* or *your plan sponsor* cancel coverage by completing the applicable form.
- *You* make any fraudulent claim(s) or misrepresentation to *us* or to any *dentist*. Examples include loaning *your* ID card to someone else; or giving incorrect or incomplete information which led *us* to believe *you* were eligible for this coverage when in fact *you* were not. In such a case, cancellation will be as of *your effective date*. *We* will refund the premium charge *we* received. *We* will subtract from the refund any payments made for claims under this *Certificate*. If *we* have paid more for claims under this

Certificate than was paid to us in premium charges, we have the right to collect the excess from you.

- The premium charge is not paid within 30 days after it is due. *Your plan sponsor* is allowed a grace period of thirty-one (31) days for the payment of any premium due except the first. The *plan sponsor* will owe us the premium for the period between the due date and the cancellation date. In the case of a cancellation of *your* group's contract based on nonpayment of premiums, we will tell you in writing. We will honor any claims for covered services rendered before the written notification date.

However, except for non-payment of premiums, we will not contest the validity of this *Certificate* after it has been in force for 2 years based on representations made to us before it was in force; or, unless the representation is in writing signed by you; and, we provide a copy of the statement to you.

When Your Dependent's Coverage Ends

Your dependent's coverage typically ends:

- When you are divorced from your spouse*, your former dependent spouse will be, unless a court says otherwise, considered your dependent until the earliest of:
 - a. the date you remarry, unless a court says you must continue to provide coverage. In that case, your ex-spouse can continue to be covered as a member of the group at an additional premium or
 - b. the date your former dependent spouse remarries; or
 - c. the date when he/she is no longer eligible for continued coverage as specified by a court; or
 - d. the date when you or your spouse cancels coverage; or
 - e. the date when your plan would have otherwise ended; or
 - f. the date when appropriate premium payments are not made.

* A spouse includes a party to a same sex marriage; civil union; or, similar union entered into under applicable state laws.

- At the end of the month in which an eligible dependent child marries; or
- When a dependent child reaches the dependent age limit as set forth in your plan's Benefits Summary.

NOTE: If your unmarried dependent child is mentally or physically disabled and has reached the dependent age limit; and, he/she cannot earn a living, you may apply for continued coverage through your plan sponsor. You have 30 days from the date your child reaches the dependent age limit to apply.

You must include the medical reason for *your* request. *We* will review *your* application to decide if it meets *our* criteria.

NOTE: If *your plan sponsor* purchased student coverage, *your dependent* child may be able to continue coverage past the *dependent* age. The child must be enrolled as a student. If *you* have such coverage, the option will be listed in *your Benefits Summary* with a student age limit. ***Your plan sponsor determines student eligibility terms.***

Benefits After Cancellation

All services must be complete to qualify for benefits. For example, permanent crowns must be cemented; bridges or dentures must be inserted. Once *your* coverage is cancelled, *you* won't have benefits for services finished after *your* cancellation date. *Your covered family members* won't have benefits either.

When You May Rejoin the Plan

You may rejoin the same group *plan* after *you* cancel, during *your* group's next open enrollment period; or, another timeframe specified by *your plan sponsor*. If *your Plan* has a *waiting period*, this *waiting period* starts again, with the new *effective date*. *We* do not reinstate coverage back to the original *effective date*.

You may join again through a different group plan. *You* can do this anytime *you* become eligible for that plan. *Lifetime* and *annual maximums*; and, claim history that accumulated while *you* were covered under a previous plan, or any other plan, may be carried forward to *your* new plan.

Features of the Plan

Your plan helps *you* maintain good dental health through regular dental care. It will help *you* pay for dental expenses. *We* describe *your* exact coverage in the *Benefits Summary*.

Utilization Review Guidelines

Our Dental Case Management area reviews claims. These reviews help *us* decide if services meet *our* review guidelines. Claims reviewers are registered dental *hygienists*; or, dental assistants with clinical experience. They review claims and can approve services. Only a dental consultant, who is a licensed *dentist*, can deny a claim.

We review claims using written review guidelines. *We* base these on accepted standards of care in the dental profession. They are backed by statistical studies of practice patterns. They also comply with guidelines approved by

the Delta Dental Plans Association. These guidelines, as well as contract limits, help *us* make decisions. *We* create clinical guidelines and utilization review standards with guidance from the Dental Director; in-house dental consultants; and, a dental advisory committee. The committee is made up of *participating dentists*. *Our* dental consultants and dental advisory committee study trends in dentistry; the proven value of new materials and procedures; treatment longevity; and, local and national practice patterns.

Quality Management Programs

We strive to provide high quality products and services. *We* do this by monitoring; identifying; and, tracking key issues over time. *We* deal with these issues as part of *our* review of *our* Quality Program.

Assessment of New Dental Materials and Treatments

We study new dental materials and treatments. *We* also study how effective they are and the cost. Then, *we* decide if *we* will cover the material or treatment.

Continuity of Care

If *your dentist* moves or decides not to participate, *you* can choose a new *dentist* from the network. There will not be a change *your* coverage or benefits. If *you* change from a *participating dentist* to a *non-participating dentist*, the treatment would still be covered. This is true as long as it is a covered benefit; but, *you* must pay any difference between *our* payment and the *dentist's* charge.

Pre-treatment Estimate

When treatment is likely to cost more than \$300, *you* and *your dentist* should get an estimate before *you* get treatment. This includes treatment such as crowns; *periodontic*; *prosthodontic*; and *orthodontic* services.

After *your dentist* sends a request, *we* will review the treatment plan. Then, *we* will tell *you* and *your dentist* what the estimated payment will be for those services.

NOTE: Estimates are based on available benefits. The patient must be a *Delta Dental member* at the time the service is done. The estimate shows what money is available at the time the estimate is done. This can change because services may no longer be available on the date the service is done. For example, if *you* had other services paid for after the estimate, and *you* reach *your annual maximum*, there will be no money left to pay for the new service. Another example is if *you* lose coverage before the new service is done.

How to Use Delta Dental

Maximize Your Coverage with Participating Dentists

You have access to the nation's largest network of *dentists*. The network includes general *dentists* and specialists. *Members* do not need approval from *us* or their general *dentist* to see a specialist. This includes *dentists* that see only children.

By choosing a *dentist* from the network, *you* get the best value from *your* dental *plan*. That's because *participating dentists* agree to accept the *allowance* as full payment for *covered services*. That means that they will not bill *you* for any difference between the amount *we* allow and their actual charge.

Under *your* Delta Dental PPO Plus Premier plan, *you* can choose a *participating dentist* from either the PPO or Premier networks. That's because a *participating dentist* may belong to the PPO network; the Premier network; or to both. Ask *your dentist* which network(s) he or she belongs to before receiving services. For services that require a *coinsurance*, *you* will have lower out-of-pocket costs with a PPO *participating dentist*. That's because the PPO *allowance* is typically less than the Premier *allowance*.

You also can see a *dentist* that is not in *our* network. However, when *you* go to a *non-participating dentist*, it will usually cost *you* more money. That's because:

- 1.) *You* may have to pay a larger percent for services *you* receive.
- 2.) *You* must pay for any difference between the amount *we* allow and the amount the *dentist* charges.
- 3.) The amount *we* allow may be less than what *we* allow to a *participating dentist*.

Finding a Participating Dentist

To find a *participating dentist* visit *our* website - www.deltadentalri.com. The *network* includes general *dentists* and specialists throughout Rhode Island. In addition, *members* have access to *participating* dentists throughout the remaining states through *our* association with the Delta Dental Plans Association. Follow the directions on *our* website to find a *participating dentist* in Rhode Island or in another state. When searching for a *dentist* outside of Rhode Island, make sure to select either the "PPO" or "Premier" dental plan. You'll get the names and addresses of *dentists* in *your* area; plus, maps and driving directions. *You* can also call Customer Service for help.

We don't require *you* or *your dentist* to get referrals to see a specialist; however, not all services done by a specialist may be covered under *your plan*. Check *your Benefits Summary* for a list of *covered services*. *Participating dentists* will file claims on *your* behalf; and, we will pay them directly.

Payments for Services

Participating dentists will accept *your co-pay/coinsurance*; plus, *our* payment as payment in full for *covered services*. We will pay *participating dentists* directly.

When *your participating dentist* provides services that are not covered; or, *covered services* that do not meet *dental necessity* criteria, as per *our* review guidelines; *you* may be liable for the *dentist's* charge.

Your participating dentist may charge *you* more than the *allowance* when:

- *You* or *your dependents* get *covered services*; and, *you* have gone over the *annual maximum* or *lifetime maximum* amount for specified services.
- *You* and *your dentist* decide to use non-covered services such as, treatments or materials that cost more than those normally given by most *dentists* or, that are being done to improve *your* appearance. In these cases, we may pay an *allowance* suitable for a less costly, generally accepted material or service.

Non-participating dentists do not have a contract with Delta Dental. They haven't agreed to accept *your co-pay/coinsurance*; plus, *our* payment as payment in full for *covered services*. If you go to a *non-participating dentist*, *your* cost for services may be much more than the cost for those same services done by a *participating dentist*. You are also liable for the difference between *our* payment; and, the *non-participating dentist's* charge. You will also be liable for any *deductibles*; *copayments*; and, *coinsurance* amounts. You may have to file *your own* claims; and, we usually send the benefit payments to you.

NOTE:

- If *you* see more than one *dentist* for the same service; or need more than one visit, the total amount of *your* benefits will not be more than the amount that *you* would get if only one *dentist* gave all the treatment. *You* may be liable for the difference.
- If *you* or *your dependent* has coverage for *orthodontic* treatment, we will make periodic payments for these *covered services*; spread over the expected course of the treatment. If *you* or *your dependent* is already in active treatment when *you/he/she* becomes eligible for these

services, we will prorate *our* payments for the remaining treatment. Should coverage cease during active treatment, we will stop making payments as of the date the coverage ended; regardless of whether or not the treatment is complete.

Emergency Services

We cover services that take place in a dental facility by a licensed *dentist*, as long as they are covered under *your plan*. We do not cover services received in a hospital; surgi-center; or, urgent care facility.

In the case of a life-threatening emergency, *you* should go to the nearest hospital. Hospital claims must be sent to *your* medical insurance plan. If *you* have an urgent dental condition, *you* should go to the nearest *dentist's* office. *You* do not need prior approval. We will only pay for *covered services*. Most dental offices treat existing patients within 24 hours for an urgent appointment. If *you* need help finding a *participating dentist*, call us at 800-843-3582. *You* can also use *our* online tool at www.deltadentalri.com.

When Your Benefits May Be Continued

Federal Election to Continue Coverage (COBRA)

You and *your dependents* may have the right under the Consolidated Omnibus Budget Reconciliation Act of 1986 (COBRA), to continue coverage through *your plan sponsor*. *You* can contact *your plan sponsor* about this option.

State Election to Continue Coverage

You and *your dependents* may have the right to continue coverage for limited periods under different state laws. Under RI COBRA rules, coverage is available in Rhode Island whenever the employment of an insured member of a group health plan (including dental) ends because of involuntary layoff or death; or, because of the workplace ceasing to exist; or, because of the permanent reduction in size of the workforce. Coverage is available to the member whose employment ended; his or her surviving *spouse*; and any other *dependent(s)* who were covered under the plan. *You* will be charged the same monthly premium rate charged to the group.

Eligible persons may elect continuation coverage under the Plan for up to eighteen (18) months from the termination date of the insured member. Contact *your plan sponsor* for information about these options.

When There is Other Coverage

Right to Receive and Release Needed Information

We have the right to information related to claims filed under the *plan*. We can get this information from, or give it to, any organization or person with a legitimate interest. When *you* file a claim, *you* must give *us* any information needed to process the claim. *You* must give *us* information regarding other insurance coverage when *you* first enroll. *You* must also let *your dentist* know about other coverage when *you* get care. We will ask *you* for updated information from time to time.

Coordination of Benefits

Your plan is designed to prevent overpayment of benefits when more than one Plan may cover the service. The other Plan may be a dental Plan or a medical plan that covers certain services also covered under this *plan*.

When *you* are covered by more than one Plan, one Plan is the "primary" Plan and the others are "secondary" Plans. When *you* file a claim, the primary Plan pays benefits first, up to the limits of the Plan. The secondary Plans adjust their benefits so that the total amount paid is not more than the cost of *covered services*. This process is called "Coordination of Benefits" (COB). If *you*, or a family *member*, are also covered by other medical or dental plans, we will coordinate payment with them. We use standard insurance industry guidelines in most cases. The standard guidelines that govern this process are shown below. If other guidelines apply to *your plan*, they will be in *your Benefits Summary*.

As used in these rules, the terms "Plan" and "Allowable Expenses" mean:

- "Plan" means any plan providing dental benefits or services, including government and insured or self-insured group or group-type coverages through an HMO or other prepayment, group practice or individual practice plan.
- "Allowable Expenses" means a necessary, reasonable and customary item of expense for dental care, all or part of which is covered by at least one Plan covering the person for whom the claim is made. Where a Plan provides dental benefits in the form of services rather than cash payments, the reasonable cash value of each service received will be considered both an Allowable Expense and a benefit paid.

If *you* are covered under more than one Plan, the total payment *you* get will never be more than *your* Allowable Expenses.

The National Association of Insurance Commissioners makes the rules about which Plan is primary; including:

- The Plan without a coordination of benefits provision is primary.
- When another Plan's rules and this *plan's* rules require this *plan* to pay its benefits first, this *plan* is primary.
- The Plan covering the patient directly rather than as an employee's *dependent* is primary.
- If a child is covered under both parents' Plans, the Plan of the parent whose birthday falls earlier in the calendar year is primary (the "birthday" rule) unless the other Plan has a "gender" rule.
- If a child is covered under both parents' Plans and the other Plan has a "gender" rule, the rule in the other Plan determines benefits. (The "gender" rule says that if a child is covered under both parents' Plans, the Plan of the male parent is primary).
- If the "birthday" rule applies, and both parents have the same birthday, the Plan covering a parent longest is primary.
- If the parents are separated or divorced, benefits for the child are decided in this order:
 - ◆ The Plan of the parent with custody.
 - ◆ The Plan of the *spouse* of the parent with custody.
 - ◆ The Plan of the parent not having custody, unless one of the parents is made responsible for the child's health expenses by a court decree.
- If the specific terms of a court decree state that the parents shall share joint custody, without stating that one of the parents is responsible for the dental care expenses of the child, the Plans covering the child shall follow the order of benefit determination rules outlined above.
- If a full-time student is eligible for coverage as a *dependent* under this *Certificate*, the benefits of any other coverage available because of student enrollment (except accident-only type coverage) will be determined before the benefits under this *plan*.
- The benefits of a Plan that covered a person as an employee who is neither laid off nor retired are determined before those of a Plan that covers that person as a laid off or retired employee. The same is true if a person is a *dependent* of a person covered as a retiree and an employee. If the other Plan does not have this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule is ignored.

- If a person whose coverage is provided under a right of continuation pursuant to federal or state law also is covered under another Plan, the benefits are determined in the following order:
 - ◆ First, the benefits of a Plan covering the person as an employee, *member* or *subscriber* (or as that person's *dependent*);
 - ◆ Second, the benefits under the continuation coverage.
 - ◆ If the other plan does not have the rule described above, and if, as a result, the Plans do not agree on the order of benefits, this rule is ignored.
 - ◆ If payment responsibility is still unresolved, the Plan covering the patient longest is primary.

In general, if *you* exceed *your* benefits for a calendar year, the primary insurer will cover *you* up to its *allowance*. The secondary insurer will cover any allowable benefit *you* use over that amount. The insurers will never pay more than the total amount of coverage that would have been given if benefits were not coordinated.

Subrogation

If someone caused *your* illness or injury, *you* may have the legal right to get back some of *your* dental care costs. When *you* have this right, *you* must let *us* use it if *we* decide to get back any payments we made for services related to the illness or injury. If *you* use this right to get money back from someone else, *you* must repay *us* for the payments *we* made. *Our* right to repayment comes first. It can be reduced only by *our* share of *your* reasonable cost of collecting *your* claim against the other person; or, if the payment received is for “other than dental expenses.” *You* must give *us* information and assistance and sign documents needed to help *us* get *our* payment back. *You* must not do anything that might limit *our* repayment.

Facility of Payment

If another Plan pays a benefit that should have been paid under this *plan*, *we* may reimburse the other Plan for that amount. It will be considered a benefit paid by this *plan*.

Right of Recovery

If *we* pay more than *we* should have paid under the COB provision, *we* have the right to get back the excess amount *we* paid. *We* can recoup from other insurance companies and organizations. *We* can get back the reasonable cash value of any benefits provided in the form of services.

When You Have a Claim

When to File a Claim

You should send us completed claim forms for services covered under this Certificate. You have 12 months from the date you get services. All services must be complete to qualify for benefits; e.g., permanent crowns cemented; bridge or denture inserted. Participating dentists will submit claim forms on your behalf. You will not be responsible for payment on covered services when a participating dentist submits claims more than 12 months after the date you get the service; except, for any deductibles; copayments; coinsurance; or, amounts more than the annual or lifetime dollar maximums. We will deny claims that a non-participating dentist sends to us more than 12 months after you get the services. You must pay such claims, unless the failure to submit a claim within 12 months was because of a legal incapacity.

How to File a Claim

Participating Dentist

When you go to a dentist who has agreed to participate, your claim will be filed for you. It will include all necessary supporting information, such as x-rays. We accept claims from dentists on paper and in an electronic, HIPAA compliant format.

Non-participating Dentist

When you go to a dentist who is not participating, you must mail the claim to the following address. You don't have to do this if the dentist agrees to file it for you. Dental claim forms are available on our website at www.deltadentalri.com; or, from your dentist.

MAIL CLAIMS TO: Delta Dental of Rhode Island
 P.O. Box 1517
 Providence, RI 02901-1517

Claims Procedures

Call Customer Service if you have a question about how a claim was paid, or why we denied it. The number is **401-752-6100 or 800-843-3582**. Customer Service representatives are available Monday – Thursday from 8 a.m. to 7 p.m. ET, and Friday from 8 a.m. to 5 p.m. ET. You have a right to request a full and fair review of your claim. **To consider a claim for payment, we must get it within 12 months of the date you get the service.**

Pre-treatment Estimates

A pre-treatment estimate is a claim that is filed before you have a dental service. When treatment is likely to cost more than \$300, you and your dentist should get an estimate before you get treatment. This includes

treatment such as crowns; *periodontic*; *prosthodontic*; and *orthodontic* services.

After *your dentist* sends a request, *we* will review the treatment plan. After this review, *we* will tell *you* and *your dentist* what the estimated payment will be for those services.

NOTE: Estimates are based on available benefits. The patient must be a Delta Dental *member* at the time the service is done. The estimate shows what money is available at the time the estimate is done. This can change because benefits may no longer be available on the date the service is done. For example, if *you* had other services paid for after the estimate, and *you* reach *your annual maximum*, there will be no money left to pay for the new service. Another example is if *you* lose coverage before the new service is done.

We must have all of the information *we* need to review the plan; and, to make a benefit decision. *We* will send *you* written notice of *our* initial decision. *We* will send this notice within 15 calendar days. For urgent or emergency cases, *we* will give *you our* decision within 72 hours.

If the service is denied, the notice will explain the reason(s) for the denial. The notice will include the process for filing an appeal. Once a denial is made, *you* have 180 days from the day *you* get *our* notice to file an appeal.

Post-service Claims

A post-service claim is a claim that is filed after dental care is done. All services must be complete to qualify for benefits; e.g., permanent crowns must be cemented; bridges or dentures must be inserted. *We* will send *you* written notice of an *adverse benefit decision*. *You* will get this notice within 30 calendar days of the day *we* get the claim. *We* will send *you* a notice if *we* can't process a post service claim because information is missing. The notice will be sent to *you* within 30 days. It will tell *you* what additional information *we* need to process the claim. A *participating dentist* must give *us* the information *we* need to process a claim. If not, the *dentist* may not charge the patient for any un-paid amount. Refer to the **Expedited Reviews** section for claims involving urgent or emergency services.

We will pay *your* claim within 40 days after *we* get of a complete paper claim; and, within 30 days after *we* get a complete electronic claim. A complete claim has all the supporting documents *we* need to make a claim decision. If *we* do not pay within this time, *we* will pay interest on the amount not paid. Interest will be paid at a rate of 12 percent per year in accordance with applicable law.

If the service is denied, the notice will explain the reason(s) why. It will include the process for filing an appeal. Once a denial is made, *you* have 180 days from the day *you* get *our* notice to file an appeal.

To Appeal an Adverse Benefit Decision

If *you* get an *adverse benefit decision*, *you* have the right to have it reviewed. An adverse decision means a decision not to approve a service, in whole or in part. *Adverse benefit decisions* include:

- *Administrative adverse benefit decisions*. These do not require *us* to use dental judgment; or, clinical criteria. Examples include decisions not to approve because a *member* is not eligible for coverage; or, a decision that a benefit is not a covered benefit under the *Plan*; or, that the *waiting period* has not been met; or, that the frequency on a service has gone above the limit.
- *Non-administrative adverse benefit decisions*. These require *us* to use dental judgment; or, clinical criteria to determine if the service is *dentally necessary*. These decisions are made by *dentists* using *our* review guidelines. *Our* guidelines detail the clinical criteria that must be met for a service to be covered. These guidelines are found at deltadentalri.com.

Follow the process below to file an appeal. If *you* feel that *we* did not follow the appeals process as described here, *you* may contact the Rhode Island Resource, Education and Assistance Consumer Helpline (RIREACH). They are found at 1210 Pontiac Ave., Cranston, RI 02920, 1-855-747-3224, www.rireach.org. This is Rhode Island's Health Insurance Consumer Assistance Program.

When to File an Appeal: *You* must file *your* appeal within 180 days of the date *you* get the original coverage denial.

How and Where You Can File an Appeal: *You* must file an appeal in writing. For urgent or emergency services*, *you* may call Customer Service to start an appeal. Send *your* appeal to: Delta Dental of Rhode Island, Attn: Appeals, P.O. Box 1517, Providence, RI, 02901-1517. *Your* appeal should ask *us* to reconsider. Tell *us* why *you* believe the service was wrongly denied. Include a copy of the Explanation of Benefits or Pre-treatment Estimate notice. Include the patient's name; the *subscriber* identification number; and, a detailed description of *your* concern. Appeals of decisions based on *dental necessity* should also include clinical treatment notes; narratives; photos; x-rays; charting; and, any other necessary clinical documents that support *your* claim. To be covered, services must meet the criteria in *our* review guidelines. These are found at deltadentalri.com. *Your* appeal will be reviewed based on the material *you* send *us*. If the file is incomplete, *we* might not have all the information *we* need to make an appropriate decision. *You* should add any information that is relevant to reviewing the appeal.

The Explanation of Benefits or Pre-treatment Estimate notice has numbered messages. These messages explain the reason(s) for *our* denial. They also refer to any plan terms the decision was based on; and may refer to any guideline; protocol; or, criteria *we* used to make the denial. *You* have the right to see copies of all documents related to the claim. *We* will also give *you* a copy of any internal rule; guideline; or, protocol *we* used. *We* will also explain the scientific or clinical judgment *we* used to decide the claim. *We* will give *you* this information, if *you* ask for it, at no charge.

Who Will Review Your Appeal: Appeals will be researched by an Appeals Coordinator. He or she will talk with appropriate departments. Decisions will be made by those who know about the issues involved in *your* appeal. Appeals of *non-administrative adverse benefit decisions* will be reviewed by a licensed *dentist*. He or she will not have been involved in any prior reviews. The reviewer will not have been involved in the direct care of the patient.

Response to Your Appeal: *We* will reconsider *our* decision; and, send *you* a written response within 15 calendar days of receiving *your* appeal (72 hours for urgent or emergency services). If *we* do not change *our* decision, *you* have 180 days from the date *you* get *our* notice to continue the appeal process. Send *us* a written request for an appeal. *We* will send *you* a written response within 15 calendar days of receiving *your* request (72 hours for urgent or emergency services). Before *we* make a final internal appeal decision, *you* have the right to inspect the entire appeal file. *You* may add information. Additional information must be sent in writing. *We* will keep it confidential according to applicable state and federal laws.

External Review Option: If *your* final internal appeal to reverse a *non-administrative adverse benefit decision* is denied, *you* may request an external appeal. External appeals are sent to an independent review agency. *You* have 125 calendar days from the date *you* get *our* final internal appeal decision to send *your* request to *us* in writing. *You* can add information to the file for review. Send it to *us* in writing within 5 business days after starting the appeal. *We* will send all documents *we* reviewed to the review agency.

Cost for External Review: *You* must pay \$50 (up to a maximum of \$150 per *policy year per member*). Include a check made payable to Delta Dental of Rhode Island with *your* request.

Response to Your External Appeal: The review agency will notify *you* about the outcome of *your* appeal. They will do so within 10 calendar days of receiving all information needed to complete the review. If the external review agency overturns *our* decision, *we* will reimburse *you* for *your* share of the fee. *We* will do this within 60 days of the notice of overturn.

Additional Information: Under certain conditions, once the internal appeals process is done, the *member* may also have the right to bring a civil action. This right is given under Section 502(a) of the ERISA Act. The *member* does not have this right if he/she is a member of a governmental plan; church plan; or, a plan not established or maintained by an employer.

Expedited Reviews

If *your* claim involves urgent or emergency services as defined below, *you* have the right to a speedy review. *We* will complete *our* review and make a decision within 72 hours. *We* must have all the information *we* need to review the claim. Call Customer Service to obtain a speedy review.

*"Urgent services" includes those resources necessary to treat a symptomatic health care condition that a prudent layperson, acting reasonably would believe necessitates treatment within a 24 hour period of the onset of such a condition in order that the patient's health status not decline as a consequence. This does not include "emergency services" as defined below.

"Emergency services" means those resources provided in the event of the sudden onset of a health condition that the absence of immediate medical attention could reasonably be expected, by a prudent layperson, to result in placing the patient's health in serious jeopardy, serious impairment to bodily functions, or serious dysfunction of any bodily organ or part.
