This Evidence of Coverage is a summary of the Policy provisions and is presented as a matter of general information only. It is not a substitute for the provisions of the Policy itself. In the event of any dispute between this Evidence of Coverage and the Policy, the provisions of the Policy will prevail. A copy of the Policy will be furnished on request. If any changes are made to this document by anyone other than VSP, VSP disclaims responsibility for such changes and cannot guarantee this document will comply with any statutory requirements including but not limited to ERISA.

ELIGIBILITY FOR COVERAGE

Enrollees: To be covered, a person must currently be an employee or member of the Client, and meet the coverage criteria established by Client.

Eligible Dependents: Any dependent of an Enrollee of Client who meets the eligibility criteria established by Client, if such dependent coverage is provided.

HOW TO USE THIS PLAN

VSP provides Plan Benefits to Covered Persons based on the level of coverage purchased by the Client. Refer to the Schedule of Benefits or Supplemental Benefits (if applicable) for specific Plan Benefits.

1. Contact VSP to obtain a list of participating providers, and/or to view available benefits, (see below for contact information).

2. Contact a VSP Network Provider's office to schedule an appointment and indicate that Covered Person is a VSP member. Should Covered Persons fail to identify themselves as VSP members, Plan Benefits shall be limited to those of an Open Access Provider, if such Plan Benefits are available.

3. Once the appointment is made, the VSP Network Provider will obtain benefit verification from VSP. The VSP Network Provider will bill VSP directly and the Covered Person is responsible for payment of any applicable Copayments, non-covered services or materials, or amounts which exceed plan allowances, and annual maximum benefits.

4. If the Policy includes Plan Benefits for Open Access Providers, Covered Person may be responsible for paying for all services and/or materials in full and submitting a claim to VSP. All reimbursement will be in accordance with the Open Access Provider fee schedule, less any applicable Copayment. Obtaining services from an Open Access Provider will typically result in higher out of pocket expenses for Covered Persons. All claims must be submitted to VSP within [365] calendar days from the date services are rendered and/or materials provided. Claims received by VSP after [365] days will be denied unless prohibited by applicable state or federal law.

EXCLUSIONS AND LIMITATIONS OF BENEFITS

This Plan is designed to cover visual needs rather than cosmetic materials.

Some vision care services and/or materials are not covered under this Plan and certain other limitations may apply. Please refer to the EXCLUSIONS AND LIMITATIONS OF BENEFITS section of the attached Schedule of Benefits and/or Supplemental Benefits (when purchased by Client) for details.

COORDINATION OF BENEFITS

Covered Persons who are covered under two or more insurance plans that include vision care benefits may be eligible for Coordination of Benefits ("COB"). VSP will combine other insurance plans' claim payments or reimbursements, if any, with benefits available under Covered Person's VSP Plan, which may reduce or eliminate Covered Person's out-of-pocket expense. Covered Persons covered under more than one VSP Plan may also be able to take advantage of COB. In order to process claims involving COB, VSP may need to share personal information regarding Covered Persons with other parties (such as another insurance company). When this is necessary, VSP will only share such information with those persons or organizations having a legitimate interest in that information and only where such sharing is not prohibited by law.

URGENT VISION CARE

Services for conditions of a medical nature are covered by VSP only to the extent that services are specifically set forth in Supplemental Benefits. When vision care is necessary for Urgent Conditions, Covered Persons may obtain Plan Benefits by contacting a VSP Network Provider or Open Access Provider. No prior approval from VSP is required for the Covered Person to obtain vision care for Urgent Conditions of a medical nature. If Client has not purchased, for conditions of a medical nature, Covered Persons are not covered by VSP for medical services and should contact a physician under Covered Persons' medical insurance plan for care.

HOLD HARMLESS

Covered Persons shall be held harmless for any sums owed by VSP to the VSP Network Provider, other than those sums not covered by the Plan.

COMPLAINTS AND GRIEVANCES

Covered Persons have the right to expect quality care from VSP Network Providers. More information is available under "Patient's Rights and Responsibilities" on VSP's web site at www.vsp.com. Complaints and grievances are disagreements regarding access to care, quality of care, treatment or service. Covered Persons may submit any complaints and/or grievances, including appeals, in writing to VSP at P. O. Box 2350, Rancho Cordova, CA 95741 or verbally by calling VSP's Customer Care Division at 1-800-877-7195. VSP will resolve the complaint or grievance within thirty (30) calendar days after receipt, unless special circumstances require an extension of time. In that case, resolution shall be achieved as soon as possible, but not later than one hundred twenty (120) calendar days after VSP's receipt of the complaint or grievance. If VSP determines that resolution cannot be achieved within thirty (30) days, VSP will notify the Covered Person of the expected resolution date. Upon final resolution VSP will notify the Covered Person of the outcome in writing.

CLAIM PAYMENTS AND DENIALS

Initial Determination: VSP will pay or deny claims within thirty (30) calendar days of receipt. In the event that a claim cannot be resolved within the time indicated VSP may, if necessary, extend the time for decision by no more than fifteen (15) calendar days.

Claim Denial Appeals: If a claim is denied in whole or in part, under the terms of the Policy, Covered Person or Covered Person's authorized representative may submit a request for a full review of the denial. Covered Person may designate any person, including their provider, as their authorized representative. References in this section to "Covered Person" include Covered Person's authorized representative, where applicable.

The request for review must be made within one hundred eighty (180) calendar days following denial of a claim and should contain sufficient information to identify the claim and the Covered Person affected by the denial. The Covered Person may review, during normal working hours, any documents held by VSP pertinent to the denial. The Covered Person may also submit written comments or supporting documentation concerning the claim to assist in VSP's review. VSP's response to the initial appeal, including specific reasons for the decision, shall be provided and communicated to the Covered Person within thirty (30) calendar days after receipt of a request for an appeal of a pre-service denial. After receiving Covered Person's appeal for a post-service denial, VSP will render a decision within 60 calendar days. If Covered Person appeals an administrative denial of urgent care, VSP will render a decision within 72 hours.

Department of Labor or the State insurance regulatory agency for details. Additionally, under the provisions of ERISA (Section 502(a) (1) (B) [29 U.S.C. 1132(a) (1) (B)], Covered Person has the right to bring a civil action when all available levels of reviews, including the appeal process, have been completed, the claims were not approved in whole or in part, and Covered Person disagrees with the outcome.

Time of Action: No action in law or in equity shall be brought to recover on the Policy prior to the Covered Person exhausting his/her grievance rights under the Policy and/or prior to the expiration of sixty (60) days after the claim and any applicable documentation have been filed with VSP. No such action shall be brought after the expiration of any applicable statute of limitations, in accordance with the terms of the Policy.
